Application  
to be an elf

After hearing about all that the elves do during Christmas preparation, we've become a bit jealous!

Yes, they do work hard for sure, but they also have a lot of fun celebrating Christmas every day in December! That sounds so much fun, doesn't it? And Santa is always looking for bright, cheerful helpers to join his Elf Crew!

**Shall we apply to be an elf for next Christmas?**

**Let's fill in the application form on the next page!**
