Santa's Sleigh Ride: A Festive Board Game

Welcome to Santa's Sleigh Ride, a fun and exciting game to celebrate the holiday spirit! Follow Santa on his journey to deliver presents by climbing ladders, sliding down paths, and collecting holiday cheer. The goal is to reach the star-topped Christmas tree at square 25.

What You Need:

1. A dice (standard six-sided).
2. Player tokens (one for each player, such as small figures, buttons, or coins).

Setting Up:

1. Each player picks a token and places it on square 1.
2. Decide who goes first by rolling the dice. The highest roll starts!

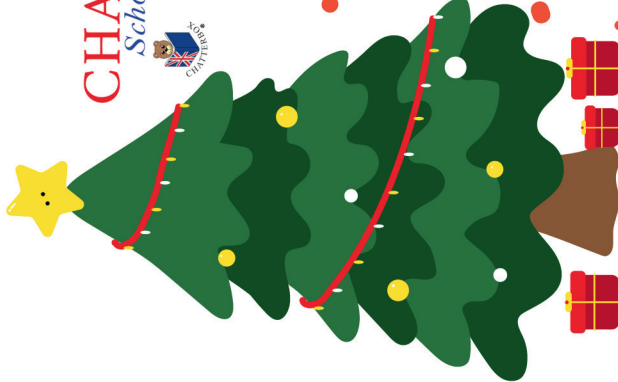

How to Play:

1. Rolling the Dice:
 - On your turn, roll the dice and move your token forward the number of spaces shown.
2. Ladders:
 - If you land at the bottom of a ladder, climb up to the square where it ends. Ladders are shortcuts to get closer to the finish line.
3. Sliding Paths:
 - If you land on a square with a downward arrow, slide down to the square at the arrow's tip. Oops! You're further from the tree.
4. Special Holiday Squares:
 - Some squares have festive icons like presents, bells, and candy canes. These are special squares! When you land on one:
 - Presents: Roll the dice again and move forward.
 - Bells: Skip your next turn to "ring the holiday bells."
 - Candy Canes: Swap places with the player furthest behind.

Winning the Game:

The first player to reach square 25 (the Christmas tree) wins! You must roll the exact number to land on 25. If your roll is too high, reach square 25 and go back again.

Have fun riding Santa's sleigh and spreading holiday joy! 🎄👴📺

Merry!
Christmas!
