

Who was
Saint Valentine?

Valentine's
Day

Saint Valentine was a kind and generous person who cared for others. While many stories about him exist, one thing remains the same—his message of love and compassion. That is why we celebrate this special day by showing kindness and appreciation to those around us.

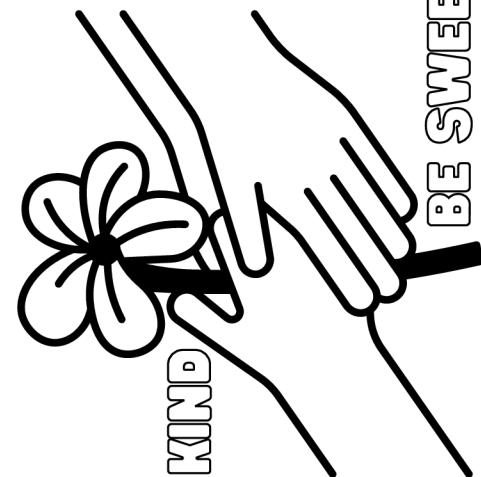

Will you be exchanging
Valentine's cards with
your loved ones?

In the next pages, you will find some Valentine's Day cards that might be just right for you. Feel free to colour them however you like and add a personalized message if you want.
