

## CHAPTER 2

### Charlie Meets New Friends

Charlie decided to visit the famous **Buckingham Palace** first. He stood in awe of the grand building and the guards in their tall, fuzzy hats. As he was admiring the palace, a little girl named **Emily** approached him. She had a big smile and sparkly blue eyes.

"Hello! Are you a real bear?" Emily asked, her eyes wide with curiosity.

"Yes, I am! My name is Charlie, and I'm here for a summer adventure!" Charlie replied cheerfully.

Charlie was very impressed by Buckingham Palace and wanted to tell all his friends how good it was by sending them a postcard. What do you think he would tell them? Write it on the postcard.

Emily was thrilled to meet Charlie and invited him to join her family on a sightseeing tour. Charlie happily agreed, and soon he was riding on the top deck of a **bright red double-decker bus** with Emily and her family. They visited the Tower of London, saw the Crown Jewels, and even took a ride on the London Eye, a giant ferris wheel that gave them a stunning view of the city.

Charlie made many new friends on the bus, including a chatty parrot named **Percy** who told the funniest jokes:

Why did the parrot bring  
a ladder to school?  
Because he wanted to go  
to high school!

HAHAHA

They all burst out laughing!

By the end of the day, Charlie felt like he was part of one big happy family.

Can you spot Charlie,  
Percy and Emily  
on the bus?  
Where are they?
